EOHHS Updates

Donna Novak

Annual APR data-report will be published on EOHHS website (www.eohhs.ri.gov)- data based on focused monitoring data. Provider will have to address non compliances (take action to meet needs). Timely services- everyone must be compliant. Natural environment- is one day count (measures that the child services were done in the home), it has been good. Child outcome-we look at children when they enter EI (functioning) and when they exit EI. OSEP the percentage of children who were functioning within age expectation in each outcome by the time they turned 3 years of age or exited the program. Report is attached.

HEALTH

Donna Novak

Donna Novak. PowerPoint-RI Early Intervention state performance plan/State systemic Improvement plan. SIMR-focuses on a subpopulation of children whose families have participated in a family directed assessment utilizing the Routine-Based Interview (Robin McWilliams). IDC Logic Model-IDEA data center evaluation logic model. Goal: Improve state capacity to accurately collect and report IDEA data. PowerPoint is attached.

Leslie Bobrowski -Routines Based Interviews (RBI) is a structured way to give the EI provider rich detail information of the child and family functioning. Handout is attached.

Subgroup Reports and Discussion

Child Welfare (CAPTA)

Darlene Magaw

Met January-Children that are being monitored (under investigation). Feedback on policies has not been formulated (regarding referral). Quarterly data-this year has collection has improved, along with increased understanding of what the numbers mean, they have become more accurate-of children being referred. Joe Carr has been working internally at DCYF to improve their electronic tracking system. List of 9 potential next steps identified for Coordination of services between DCYF/FCCP and family visiting programs. Discussed impact/ease of change and determined which of these steps could/should be piloted.

Policy Update: At this time, because of changes the Governor wants to make in how policies are promulgated, CAPTA policy may be lumped in with the other 168 policies awaiting approval. Next meeting: February 19, 2016. 178 Norwood Avenue. Cranston

Brenda DuHamel -Children cabinet work plan-RI children cabinet strategy plan (cycprovidence.org)

Act Early

Stacey Aguiar

Family visiting- presenting at AMCHP conference: increasing family and community engagement through continuous quality improvement within the maternal, infant and early childhood home visiting program.

- **PAT (Parent as Teachers):** Blackstone Valley Community Action program, Providence, Pawtucket, Central Falls.
- **HFA (Healthy Families America):** BVCAP, Providence, Westerly, Woonsocket.
- **Screening to succeed:** Supporting 22 primary care practices to increase developmental screening rates and refer to appropriate evidence-based resources. Outreached to an additional 34 practices. (Some of them have said no and others have not responded).
- **Newborn Screening:** NAS task force is meeting on a monthly basis. If anyone would like to join, feel free to send an email to Stacey Aguiar (stacey.aguiar@health.ri.gov). February 8, 2016 Beck mapping exercise (future state); need early intervention representation.
- **RIHAP:** Kaizen to increase the effectiveness and efficiency of the diagnostic loss to follow up.
- **AMCHP Developmental Monitoring within State Systems Grant: Deadline: February 29, 2016.** Purpose: To increase parent-engaged developmental monitoring by promoting the adoption and integration of learn the Signs. This grant would give more money to help build off of the work I have been doing as an Act Early Ambassador to RI.
- **WIC:** Infant with special formula, nutrition needs can use WIC for nutritional support. Kids falling off...WIC ages 5.
- **Office of Special Health Care needs:** There will be a pediatric care coordinators training & learning session on February 23rd. The training will be for Cedar, PCMH, and PPEP care coordinators. Brenda Duhamel can provide more details.
-
